INSTRUCTIONS

1. Arrange an assortment of blue transparent scrap glass pieces in a mosaic fashion on the 10" clear transparent blank. Allow for small gaps in between each positioned scrap glass piece.

TIP: If needed, use the Wheeled Mosaic Cutter to nip larger pieces into smaller shapes.

2. Secure the glass components to the base with pinpoints of GlasTac. Let dry.

3. Using a plastic spoon, distribute an even layer of assorted blue transparent fine Carolina Frit within the gaps between the arranged scrap glass pieces.

4. Clean off any excess frit on the scrap glass surfaces using a paintbrush.

5. Secure frit in place with pinpoints of GlasTac. Let dry.

6. Full fuse using the 6-segment firing schedule.

7. Once fired, drape as desired.
